Your Life Mission Statement

A Men's Event From
M A N I N T H E M I R R O R

Could you use some fresh wind for your sails?

Many men today are restless. Work no longer satisfies. Relationships lose their fire. And God seems distant or irrelevant.

All of us have felt this way. But now, solid, Biblical help is on the way.

Mission Driven Life

At the Mission Driven Life Seminar, you'll use a written guide to begin developing your Life Mission Statement, a tool to help you chart a new course to fulfillment and joy. A Life Mission will add focus and energy to your work, family, leisure – and your relationship with God.

It's not often that a few-hour investment could change your life. This is one of those times.

Don't miss this unique opportunity!
