

THE MARRIAGE PRAYER CHALLENGE

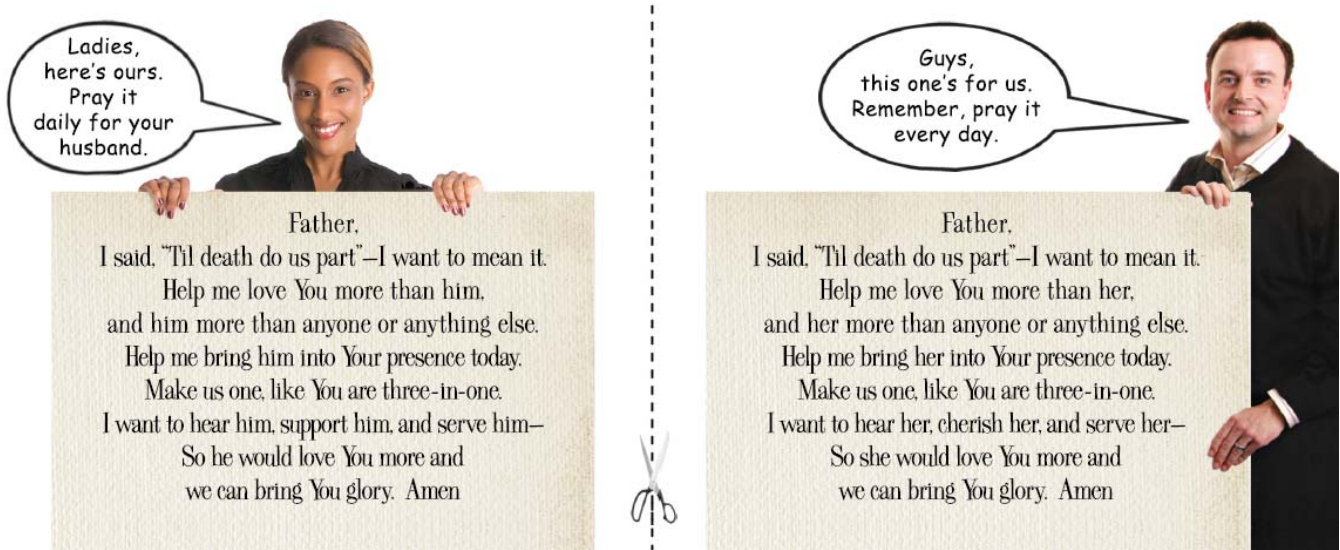

What might God do if you said a simple prayer every day for your spouse?

What might God do if every married person in your church and community prayed for their spouse every day?

Here's a simple plan to help make that a reality!

Implement The Marriage Prayer Challenge in Your Church

- Show the prayer to the leaders of your couples or adult ministries. Paint a picture for them of what it would be like if every married person in your church prayed for their spouse every day. Pray together that God would do something great in the lives of your people.
- Download and print cards (or purchase them at www.themarriageprayer.org) for every couple in your church.
- Use the posters, bulletin inserts, email headers, powerpoint backgrounds, and message outlines found at themarriageprayer.org to support your emphasis.
- After introducing the concept to your church, ask couples to commit to pray **The Marriage Prayer** every day for 30 days.
- Send an email each week during the 30 day challenge reminding couples to pray for their spouse.
- If desired, use **The Marriage Prayer** book with couple's groups or an adult class at the church.
- **Watch God work in the lives of your people!**
