

**Patrick Morley**  
**Executive Chairman**  
**Man in the Mirror**

For three decades, Dr. Patrick Morley has been regarded as one of America's most respected authorities on the unique challenges and opportunities that men face.

Every Friday morning since 1986, Patrick has taught a Bible study to approximately 10,000 men —150 men live in Orlando, Florida and the others through a Video Bible Study webcast over the Internet in all 50 states and throughout the world.

In 1989 he wrote *The Man in the Mirror*, a landmark book that poured from his own search for meaning, purpose, and a deeper relationship with God. He has written 20 books—six of which have received critical acclaim—and has readers in over 48 countries.

In 1991, Patrick founded **Man in the Mirror** which has impacted the lives of 12,000,000 men worldwide, has distributed 9,000,000 books, and last year worked with 30,000 church leaders to more effectively disciple men.

He lives in Winter Park, FL, with his wife, Patsy. They have two married children and four grandchildren.
